ATTORNEY GENERAL

Opinion No. 88-125

State Boards, Commissions and Authorities—State Lottery; Kansas Lottery Act—Co-Promotional Agreements.

Crimes and Punishments—Kansas Criminal Code; Crimes Affecting Public Morals—Illegal Lotteries. Larry Montgomery, Executive Director, Kansas Lottery, Topeka, August 31, 1988.

The described co-promotional agreement between the Lottery Commission and a private business: 1) is excepted from the trading stamp act; 2) is permissible as a promotion which furthers the purpose of the lottery act; 3) is not an illegal lottery if one of the three elements of a lottery (prize, consideration, chance) is eliminated from the operation; and 4) may advertise that every ticket purchased will be accompanied by a bonus which is redeemable through the private business. State Departments; Public Officers and Employees—Department of Administration; General Provisions—Procurement Negotiating Committees, Services or Technical Products; Bidding Exemption. Representative William W. Bunten, 54th District, Topeka, September 1, 1988.

K.S.A. 1987 Supp. 75-37,102 authorizes the use of a negotiating committee to evaluate competitive sealed proposals submitted pursuant to the notice required by that statute. The statute requires a competitive analysis of the proposals submitted, though factors other than price may be taken into consideration. The Director of Purchases may, in an invitation for bids, reserve the state's right to revert to the provisions of K.S.A. 1987 Supp. 75-37,102. Counties and County Officers—Sheriff—Qualifications for Office; Education.

State Boards, Commissions and Authorities—Law Enforcement Training Center; Training Commission—Qualifications of Applicants for Training Courses. Steve

Boyce, Coffey County Attorney, Burlington, September 1, 1988.

No person is eligible for nomination, election, or appointment to the office of sheriff unless the person possesses a high school education or its recognized equivalent. A G.E.D. certificate is a recognized equivalent. The successful completion of an intelligence test as part of the pre-training evaluation prior to admittance to a Law Enforcement Training Center training course does not constitute the recognized equivalent of a high school education. A withholding order issued pursuant to K.S.A. 23-4,105 *et seq.* affecting an obligor state official or employee should be served on the director of accounts and reports and not on the attorney general. Cited herein: K.S.A. 1987 Supp. 23-4,105; 23-4,106; 23-4,107; 60-304; K.S.A. 60-723. TMN

Minors—Kansas Code for Care of Children; General Provisions—Chronic Runaways; Placement in Secure Facilities. Winston Barton, Secretary, State Department of Social and Rehabilitation Service, Topeka, September 6, 1988.

In chronological order, the following must occur before a court may authorize placement in a secure facility pursuant to L. 1988, Ch. 138, § 8(e): 1) The child must have run from a court ordered or designated placement at least twice; 2) the child must be adjudicated as a child in need of care for having so run; 3) the court must enter an order directing the child to remain in a specified placement, following the procedures set forth in L. 1988, Ch. 138, § 8(a); 4) the child must violate this order; 5) upon the filing of an application pursuant to L. 1988, Ch. 138, § 8(b), a hearing on the violation must be held and the court must make the determinations required in L. 1988, Ch. 138, § 8(e). A subsection 8(e) court order authorizing placement in a secure facility expires 60 days after it is issued. The court may grant two extensions of such authorization, up to 60 days each, upon rehearing pursuant to K.S.A. 38-1564. The secure placement authorized by L. 1988, Ch. 138, § 8(e) may not be in an adult jail except when a juvenile detention facility located therein, in quarters separated by sight and sound from adult prisoners, is used to hold the child for not more than 24 hours, including time spent therein pursuant to subsections 8(c) and (d). Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar), to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day (whether or not a business day) of the calendar month next preceding each interest payment date. The bonds will be registered pursuant to a plan of registration approved by the city and the Kansas Attorney General.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondowners.

Redemption of Bonds Prior to Maturity

Bonds maturing in the years 1989 to 1995, inclusive,

shall become due without option of prior payment. At the option of the city, bonds maturing in the years 1996, and thereafter, may be called for redemption and payment prior to maturity in whole or in part (selection of bonds to be designated by the city in such equitable manner as it may determine) on October 1, 1995, or on any interest payment date thereafter at the redemption price of 100 percent (expressed as a percentage of the principal amount), plus accrued interest to the date of redemption.

Whenever the city is to select bonds for the purpose of redemption, it will, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond in the denomination of \$5,000.

If the city elects to call any bonds for redemption and payment prior to the maturity thereof, the city shall give written notice of its intention to call and pay said bonds on a specified date, the same being described by maturity, said notice to be mailed by United States certified mail addressed to the owners of said bonds, to the Kansas State Treasurer, to the original purchaser of the bonds and to the paying agent, each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. The city shall also give such additional notice as may be required by Kansas law in effect as of the date of such notice. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Authority, Purpose and Security

The bonds are being issued pursuant to K.S.A. 12-6a01 *et seq.*, as amended, and to Charter Ordinance No. 19 of the city for the purpose of paying the cost of certain internal improvements. The bonds and the interest thereon will constitute general obligations of the city, payable in part from special assessments levied upon the property benefited by the construction of said improvements and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the city, with the balance payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the city.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1 percent. No interest rate may exceed a rate equal to the index of treasury bonds published by the weekly *Credit Markets* in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. No rate specified may be lower than any rate specified for an earlier maturity of the bonds. No bid of less than the entire par value of the bonds and accrued interest thereon

to the date of delivery will be considered and no supplemental interest payments will be considered.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$82,500 (2 percent of the principal amount of the bonds) payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of the bid. Good faith checks submitted by unsuccessful bidders will be returned. If a bid is accepted, said check or the proceeds thereof will be held by the city until the bidder has complied with all of the terms and conditions of this notice. If a bid is accepted but the city fails to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check, or the proceeds thereof, will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of this notice, the proceeds of such check will be retained by the city as and for liquidated damages. No interest will be paid upon the successful bidder's good faith check.

Basis of Award

The award of the bonds will be made to the bid that results in the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the governing body will determine which bid, if any, will be accepted, and its determination is final. The city reserves the right to reject any and all bids and to waive any irregularities in a submitted bid. Any bid received after noon on the date of sale will be returned to the bidder unopened.

Bid Forms

All bids must be made on forms which may be procured from the city clerk or the financial adviser. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Proposal for General Obligation Bonds." Bids may be submitted by mail or delivered in person to the undersigned at the City Hall and must be received by the undersigned prior to noon C.D.T. on Tuesday, September 27, 1988.

Bond Rating

The outstanding general obligation bonds of the city are rated "A1" by Moody's Investors Service, Inc., and AA by Standard & Poor's Corporation. The city has applied for rating on the bonds herein offered for sale.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on or assigned to the bonds, but neither the failure to print such number on or assign such number to any bond nor any error with respect thereto will constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the purchase contract. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Delivery and Payment

The city will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder within 45 days after the date of sale at such bank or trust company in the contiguous United States of America as may be specified by the successful bidder. The successful bidder will be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds must be made in Federal Reserve funds, immediately subject to use by the city.

The number and denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners must be submitted in writing by the successful bidder to the city and bond registrar at least two weeks prior to the closing date. In the absence of such information, the city will deliver one bond per maturity registered in the name of the manager of the successful bidder.

The reoffering prices to the public by the original purchaser must be furnished to the city at least one week prior to the closing date. A certificate stating that at least 10 percent of the bonds of each maturity has been sold to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at such reoffering prices must be furnished to the city by the original purchaser at closing.

Official Statement

The city has prepared an official statement, copies of which may be obtained from the city clerk or from the financial adviser. Upon the sale of the bonds, the city will adopt the final official statement and will furnish the successful bidder with a reasonable number of copies thereof without additional cost upon request. Additional copies may be ordered at the successful bidder's expense.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the city, for the year 1987, is as follows:

Equalized assessed valuation of taxable tangible property	\$156,816,312
Tangible valuation of motor vehicles	\$ 45,569,884
Equalized assessed tangible valuation for computation of bonded debt limitations	<u>\$202,386,196</u>

The total general obligation indebtedness of the city as of the date of the bonds, including the bonds being sold, is \$59,649,500. Temporary notes in the principal amount of \$3,235,000 will be retired out of proceeds of the bonds.

Approval of Bonds

The bonds will be sold subject to the legal opinion of Gilmore & Bell, Overland Park, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

(continued)

Opinion of Bond Counsel

In the opinion of bond counsel, assuming continued compliance by the city with the terms of the bond ordinance, under existing law, the interest on the bonds: (a) is excludable from gross income for federal income tax purposes, and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989) for the purpose of computing the alternative minimum tax imposed on such corporations. The opinion set forth in clause (a) above is subject to the condition that the city comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the bonds in order that interest thereon be excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause the interest on the bonds to be so included in federal gross income retroactive to the date of issuance of the bonds. The city has covenanted to comply with all such requirements.

Bond counsel expresses no opinion regarding other federal tax consequences arising with respect to the bonds.

The interest on the bonds is exempt from computation of Kansas adjusted gross income, and the bonds are exempt from intangible personal property taxes levied by Kansas counties, cities or townships.

A form of bond counsel's opinion is contained in the official statement of the city with respect to the bonds.

Related Federal Tax Matters

Prospective purchasers of the bonds should be aware that: (i) Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the bonds or, in the case of a financial institution (within the meaning of Section 265(b)(5) of the code), that portion of a holder's interest expense allocable to interest on the bonds; (ii) with respect to insurance companies subject to the tax imposed by Section 831 of the code, for taxable years beginning after December 31, 1986, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the bonds; (iii) for taxable years beginning after December 31, 1986, and before January 1, 1992, interest on the bonds earned by some corporations could be subject to the environmental tax imposed by Section 59A of the code; (iv) for taxable years beginning after December 31, 1986, interest on the bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the code; (v) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25 percent of the gross receipts of such Subchapter S corporation is passive investment income; and (vi) Section 86 of the code requires recipients of certain Social Security and certain railroad retirement benefits to take into account in determining gross income, receipts

or accruals of interest on the bonds. These categories of bondowners should consult their own tax advisers as to the applicability of these consequences.

Additional Information

Additional information regarding the bonds may be obtained from George Long, the city's administrative director, (913) 782-2600, or from the financial adviser, Evensen Dodge, Inc., Minneapolis, MN, (612) 338-3535.
